

## Workshop venue

**Radisson Blu Resort & Spa, Dubrovnik Sun Gardens  
Na Moru 1, 20234 Orašac, Croatia**

Information about Dubrovnik can be found on the Dubrovnik Tourist Board website at:  
<http://www.tzdubrovnik.hr>

### From Dubrovnik Cilipi Airport:

Cilipi Airport is 22 kilometres outside of Dubrovnik, and 35km from the hotel. A taxi from the airport to the hotel is about 45-50 euros (250 Croatian kuna) and takes around 45 minutes.

Alternatively, you can take the airport shuttle to the main bus station in Dubrovnik (5 euros), and then the regular (public) bus to the hotel at Orašac (4 euros) – this takes about an hour.

## Workshop

### “Perspectives on Certification of Electricity Generation and Disclosure in the light of the new EU Energy Policy”

**1<sup>st</sup> October 2010**

**Radisson Blu Resort, Dubrovnik**

### The Workshop

At the end of 2009 / early in 2010, the EU Commission finalised the challenging energy package, and in particular the new Renewables and Internal Electricity Markets Directives (2009/28/EC and 2009/72/EC).

On 1<sup>st</sup> October 2010, the Association of Issuing Bodies, RECS International and the Croatian Energy Market Operator (HROTE) are organising a workshop in Dubrovnik which will address the policy, practice and implementation of schemes for Guarantees of Origin (GO) and electricity source disclosure. These topics follow on from the adoption of the Commission's energy package.

The main themes of the workshop will be:

- The need for common approaches to certification and disclosure of the source of electricity
- The relationship between GO and support, disclosure and targets
- How renewable electricity, renewable energy sources and electricity supply interrelate
- The relationship between EU Member States and external (i.e. non-EU) States

### Who should attend?

Authorities and regulators dealing with electricity markets, plus system operators, market players and other interested parties.
